Dear IDO Members and current members of the Tap Dance Sub-Committee,

Our annual meeting will be held in Riesa, Germany, on Tuesday, December 3, 2013 at approximately 20.00 Hours (8.00 PM) or immediately following the final competition of the Tap Events for that date. It will be held in the clubroom of the Hotel Sachsenhof, where you may relax and enjoy some light refreshments as you greet new and old lovers of tap!

Please remember to supply the Chairperson with a copy of the Official Registration Form, included with this invitation. Kindly E-mail the completed form to me here in the USA at my current E-mail address, RolannSOTD@msn.com, before 20th., November, 2013. All forms must be received here BEFORE the meeting, so as to determine the attendance and countries participating. ALL nominees (TWO) from each country must be named on the Official Registration Form. Even though you may have attended meetings in the past, rules state that your given Federation/Country must name you as the designated attendee each and every year.

Everyone interested in attending this meeting is welcome to join us, for a lively discussion of “new” and “old” business. Please be aware, however, of the necessity to comply with the rules regarding the Official Registration Forms. Please note that only ONE Designated Member may vote on issues, which might be voted upon.

A new list of participating members will be compiled after receiving your forms. Remember, only those members who are specialists in the tap dance field should be selected to represent their country. As ENGLISH is the official language for this meeting, please select those specialists who can converse, discuss, and complete the desires of their official Federations. Voting will be as described in the formal rules of the IDO.

All proposals, amendments, clarifications and otherwise should also be E-mailed to me at the above address. Please advise me by E-mail of your requests no later than October 20th, 2013 in order to put them on the Official Agenda.. The Agenda will be sent to everyone on approximately October 25, 2013. Please consider the development and the enrichment of our different tap dancers and styles, and assist me in a better communication between countries, continents, and people.

Thank you for your continued support of all things IDO!

Rolann Owens, Chair
