

# IDO WORLD COUPLE DANCE CHAMPIONSHIPS

WARSAW  
2022

## ABOUT

We are pleased to invite you to:  
**IDO World Couple Dance Championships 28-30.10.2022 in Warsaw.**

**WARSAW** - The capital of both the Mazovia province and of Poland itself, this is a truly extraordinary city. Situated right in the heart of Europe, at the intersection of Europe's east-west and north-south transport routes, Warsaw is major economic, academic, cultural and tourist hub with a dazzling array of historical sites and tourist attractions that captivates everyone who visits.

But most of all, they are magnificent buildings and charming nooks, where you can spend time pleasantly, and the routes offer unusual walks, which are a feast for the eyes. It is worth visiting Warsaw, because it is an extraordinary city, where historical buildings are adjacent to modern architecture, and historic architectural structures, palaces, churches and buildings mercilessly destroyed during World War II have been very faithfully reconstructed.

**Combine dancing competition and relaxation in this beautiful Polish autumn in the capital of the country. WELCOME TO POLAND!**
