BE PART OF IT

Welcome to Warsaw – the vibrant capital of Poland, often today called one of Europe’s most dynamic and fast-growing cities, once known as the “Paris of the East.”

With great pleasure, we invite you to the next edition of Polish Dance League 2026, which will take place on June 5–8, 2026, in the capital of Poland – Warsaw.

Previous editions of PDL have been a true celebration of dance – filled with emotions, energy, and unforgettable performances. It is thanks to people like you and your dancers that Polish Dance League has become a truly special event, full of passion, sporting excitement, and a unique atmosphere that participants are eager to return to.

The upcoming edition marks another important step in the development of our project – the competition will be held under the official patronage of the International Dance Organization (IDO). This is a significant distinction that further elevates the event’s status and strengthens its international character. We believe that in 2026 we will meet in an even larger community – with more energy, more emotions, and even more dance at the highest level. Once again, the dance floor will be filled with passion, fair competition, and the extraordinary atmosphere that defines Polish Dance League.

Polish Dance League was created for dancers from all over the world – regardless of age, level of experience, or dance style. It is a space that brings people together through a shared passion, encourages the exchange of experience between dancers, coaches, and clubs, and helps build lasting connections and dance friendships.

We warmly invite you to Warsaw on June 5–8, 2026, where every step gains meaning and dance once again brings us all together. See you on the Polish Dance League 2026 dance floor!

With dance regards,

Organizers of Polish Dance League

To make your travel planning easier, here are a few useful tips:

Arrival by air

We recommend flying to Warsaw Chopin Airport, which is perfectly connected with the city centre. A direct train departs from the airport and takes only about 15 minutes to reach downtown. The airport is located near Warsaw's southern ring road, so reaching our recommended hotels takes around 20 minutes by car, or 45–60 minutes by public transport (train, metro, bus)

Arrival by train, car or couch

Arrival by train

If you are travelling by train, we recommend choosing Warszawa Centralna station, located right in the heart of the city.

Arrival by car or coach

Warsaw is the best-connected city in Poland. From the north, south, east, and west, highways and express roads lead directly to the capital, making travel by car or coach convenient and straightforward.

If you need transport from the airport or railway station, or would like comfortable and organized transfers during your stay, please contact us at t.pilewski@loocasdance.pl – we provide 9- and 18-seat buses as well as three 54-seat coaches.

Accommodation

Our recommended hotels — Hotel O3 and Hotel Portos — are located about 15 minutes by car from Centrum Sportu Wilanów. Special accommodation rates are available; please contact Tomek at t.pilewski@loocasdance.pl for details.

About the event

International judges, spectacular lighting and LED stage production, a large professional stage, and an unforgettable atmosphere make Polish Dance League one of the most exciting competitions on the dance calendar. Nearly 5,000 dancers from over 15 countries have already performed on the Polish Dance League stage – and this upcoming edition will mark the 4th edition of this unique event.

The unique stage design and lighting experience will be created by LED-STAR.PL, one of the largest companies of its kind in Europe. Their team consists of creative specialists equipped with the most advanced technologies and tools available today. Thanks to the passion and dedication of their people, increasingly innovative and demanding projects come to life – projects that are recognized and appreciated by audiences across Europe.
